

*Miss this course
and you might miss the birds.*

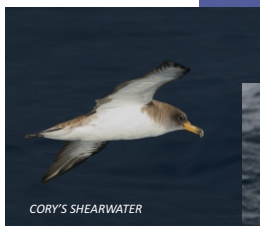

A SEABIRD IDENTIFICATION COURSE

Saturday 4th March 2017 8.30 for 9.00-16.00

**Venue: Biodiversity Environmental Education Centre,
101 Bay Road, Mouille Point**

*The Cape Bird Club is offering its landlocked members, and non members, the opportunity to get-to-grips with the pelagic birds that we may see on **Flock at Sea AGAIN! 2017**. This voyage is a once in a lifetime opportunity to see these birds and this is your chance to be well prepared.*

Dr Ross Wanless, BirdLife South Africa's Seabird Programme Manager, will run this one-day course on identifying pelagic birds.

SOOTY ALBATROSS
