

SHOW YOUR COMMITMENT TO CONSERVATION & YOU COULD WIN!

BirdLife South Africa's Conservation League Members stand to win a pair of legendary Swarovski EL 10x42 binoculars **worth R47 000** in our lucky draw. These multi-purpose binoculars combine size, weight and outstanding optical performance to offer the perfect product for birdwatching.

Sign up to become a BirdLife South Africa Conservation League Member or upgrade your membership to Conservation League status during the Flock at Sea AGAIN! 2017 cruise, and you will stand a chance to win this fantastic prize. Existing Conservation League Members who are present on the Flock at Sea AGAIN! cruise will also be entered into the lucky draw.

We currently have 64 Conservation League Members, but would like to increase the number to 100. This would generate R290 000 a year to support BirdLife South Africa's relevant and worthwhile work.

Conservation League Membership costs R2900 per annum.

To be entered into the lucky draw, please select:

- I am already a Conservation League Member
- I would like to upgrade my membership to the Conservation League category
- I would like to join BirdLife South Africa as a Conservation League Member

1. Please hand your completed form in at the BirdLife South Africa information desk on the MSC Sinfonia. This also applies to existing Conservation League Members.
2. The draw will take place at the BirdLife South Africa AGM at 14h30 on Thursday, 27 April 2017.

For your Conservation League Membership, you will receive:

- Six issues of *African Birdlife* magazine a year
- 12 digital newsletters a year
- Your name on the scroll on BirdLife South Africa's website
- Your name in BirdLife South Africa's Annual Report and Annual Financial Statements
- *And, most importantly, you will be contributing to the conservation of South Africa's birds and their habitats.*
