

The Annual Gathering of Members of BirdLife South Africa

At Sea AGAIN! 2017

Dear Sailor,

Here at BirdLife South Africa we're incredibly excited about 'Flock at Sea AGAIN! 2017' and are delighted that you will be joining us for this never-to-be-forgotten adventure!

This is the first of several emails that we will be sending out before we set sail to ensure that you are kept up-to-date on all of the necessary information.

- We are thrilled to announce that the booking numbers so far are fantastic and that they continue to increase as the weeks go by. We currently have 1,688 birders booked in 821 cabins, meaning that we are at 93% of our 883 cabin target. Reaching this target will allow us to have total control over all of the activities on the ship!
- We are in the process of creating some fabulous merchandise which will be available to order later in the year. We will send out further details for this in due course.
- There have been several enquiries regarding due dates for final payments. MSC Cruises will start sending out reminders for payment of the final balance about 70 days prior to departure and the final balance must be paid 60 days prior to the departure date.

Should you have any questions or comments, please don't hesitate to contact Emma Askes, our Events Coordinator on emma.askses@birdlife.org.za
